JEEP HOOD BRA

Paint protection and good looks with a single piece custom fit hood bra. A durable vinyl outer layer repels minor road debris and is bonded with a soft inner layer to pamper paint finish. Easy installation – front corner pockets hug the leading hood edge and the bra is held firmly in place with an adjustable hood strap that attaches to the factory footman loop, leaving the hood fully functional.

EXCLUSIVE RAMPAGE FEATURES

BREATHABLE 4 LAYER COVERS

When it comes to protection, Rampage has you covered. These breathable covers repel water, but won't trap moisture as they protect your vehicle finish from sun, dirt, droppings, and other airborne pollutants that harm the paint - they are great indoors or out.

- Soft and durable backing pampers paint finish and protects from sun, dirt, dust, moisture and pollution
- Unique diamond bond pattern allows air and humidity to escape preventing paint deterioration from trapped air and moisture. The non-woven fibers are naturally water resistant and will shed water under normal conditions - in extended rainstorms even the best fabrics will absorb varying amounts of moisture, but the Rampage 4-layer cover dries easily as it allows air to circulate thru the fibers.
- Ultraviolet protection against sun and heat buildup
- Polypropylene center layers are naturally water repellent
- Features double stitched elastic hem in front & rear to secure under bumper
- Side grommets for tie downs or security cable lock
- **EXCLUSIVE FEATURE** - Includes FREE Lock and Cable
- **EXCLUSIVE FEATURE** - includes FREE Storage Bag
